Residency Program
The Pharmacy Practice PGY-1 Residency Program at California Northstate University College of Pharmacy in association with Sutter Health Sacramento Sierra Region Hospitals will welcome two pharmacy residents in July of 2014. The residency program has received full accreditation from the American Society of Health-System Pharmacists (ASHP) in April of 2013. This is a unique opportunity to enter into an academic career while maintaining a very fulfilling clinical career in pharmacy.

Fast Facts
California Northstate University College of Pharmacy is located in Rancho Cordova within the greater Sacramento County, a few minutes from the California State Capital. Within a 30 miles radius, there are four major and excellent hospital systems that collectively offer a vibrant healthcare professional community and a desirable job market. Our area lies in one of fastest growing regions in Northern California. Great schools and cultural diversity make our cities attractive to all. Additionally, terrific restaurants, shopping, outdoor recreation, and close proximity to San Francisco and Lake Tahoe make the Rancho Cordova area a desirable place to reside.

Program at a Glance
The CNUCOP PGY-1 Residency Program is a one-year postgraduate program.
